

Certificate for Hong XU

In winter semester 2015/16, Mr. Hong XU (registration number 11423906) successfully completed 2 weeks of Laboratory work (6 ECTS) at the chair of Functional Materials (E13) of the Department of Physics at Technische Universität München. His topic of study was entitled "Magnetic properties and structure of thermoresponsive polystyrene-block-poly(N-isopropylacrylamide) / iron oxide nanocomposite thin films".

He attained the following grade:

1.0 (very good)

Please let me know if you need any further information.

Sincerely,
